2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Teaching-learning methods adopted by the faculty members include Lecture Method, Interactive Method, Project-based Learning, Computer-assisted Learning, Experiential Learning etc. The Teaching - learning activities are made effective through illustration and special lectures. To acquire first-hand knowledge on the subjects and current practices students are engaged in filed study. Lessons are taught through Power point presentations to make learning interesting besides oral presenting methods.

Lecture method: This conventional method is commonly adopted by all the teachers, especially language teachers. This method facilitates the teacher to interpret, explain and revise the content of a text only for better understanding of the subject by the learners.

Interactive method: The faculty members make learning interactive with students by motivating student participation in group discussion, role-play, subject quiz, news analysis, educational games, discussion and questions and answers on current affairs.

ICT Enabled Teaching: ICT enabled teaching includes Wi-Fi enabled class rooms with LCD, Language Lab, Smart Class rooms, E-learning resources. Virtual class room links the guest lecture of eminent persons to develop their core knowledge in the subject. The institution adopts modern pedagogy in line with emerging trends to enhance teaching-learning process. The institution has the essential equipments to support the faculty members and students.

Regular practical sessions, Online grammar test, Use of LCD projectors for seminars and workshops, Productive use of educational videos, Accessibility of non-print material for students of Computer studies. The Department of English conducts career oriented courses in Call Centre Management and Medical Transcription for students. Office Automation and Accounting software, online trading - job oriented courses are offered by Department of Commerce. Communication skills training is provided to students during Language lab sessions. Software is effectively used to train students to acquire proficiency in listening, speaking, reading and writing

Case Study Analysis and Discussion: The case method is a participatory, discussionbased way of learning where students gain skills in critical thinking, communication, and group dynamics.

SNMV Institute of Management uses case studies in diverse fields of Management Marketing, Finance, General Management and Economics.

Group Learning Method: Group Learning allows the slow learners to develop problem solving, interpersonal, presentational and communication skills to confirm quality in learning with Peer Group. Under group learning, heterogeneous group of students comprising Fast, Average and Slow learners are divided into groups of 5 to 10 members. Group Discussion, Management Games, Group Projects or Assignments are conducted by the MBA department under group learning method.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

There is complete transparency in the internal assessment. The criterion adopted is as directed by the university.

At the beginning of the semester, faculty members inform the students about the various components in the assessment process during the semester.

The internal assessment test schedules are prepared as per the university and communicated to the students well in advance.

To ensure proper conduct of formative tests, two invigilators are assigned to each hall. Evaluation is done by the course handling faculty members within three days from the date of examination.

The corrected answer scripts at random are verified by HOD to ensure the standard evaluation process.

The corrected answer papers of the students are distributed to them for the verification by the students and any grievance is redressed immediately. The marks obtained by the students in internal assessment tests are displayed on the department notice board.

The marks obtained by the students in internal assessment tests are uploaded periodically on the university web portal along with their attendance.

Noting the values in observation and validating the theoretical aspects student must submit lab record regularly.

Day to day performance of the students is assessed for every experiment which includes regularity, performance, viva and the promptness in submitting the record.

For lab courses, the marks/grade scored by the student for each experiment is indicated in the observation/record. The independent learning, practical approach to the real-time applications is tested by viva voce for laboratory courses.

For the quality of the projects, the evaluation is done by Project Review Committee along with the project guides.

To ensure the transparency and curb the mall practices the university has introduced jumbling system and theory end examinations are conducted at a center other than the college

The end examination for the laboratory and projects shall be conducted with internal and external examiner appointed from the other colleges as decided by the University.

Redressal of grievances at institute level:

Departmental Level: The continuous evaluation of students is carried out by faculty regarding theory lectures, labs, assignments, unit tests. The midterm marks are allotted based on defined strategies and displayed on notice board. Query if any is discussed with faculty and HOD.

College Level: The Institute appoints a Senior Supervisor for smooth conduction of examinations of JNTU. If students are facing any problems, they are solved by the institution Chief Examination Officer appointed by the university. The grievances during the conduction of online/theory examinations are considered and discussed in consultation with the Principal and if necessary forwarded to the university by examination section.

Redressal of grievances at University level: The queries related to results, corrections in mark sheets, other certificates issued by university are handled at JNTU examination section after forwarding such quires through the college examination section. Students are allowed to apply for revaluation, recounting and challenged evaluation by paying necessary processing fee to university if they are not satisfied with the university evaluation through college.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

In strict compliance with the objectives of Outcome Based Education (OBE), the Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes (COs) are framed by the department offering the concerned program after rigorous consultation with all faculty and the stakeholders. After attainment of consensus, the same are widely propagated and

publicized through various means such as display and/or communication specified hereunder.

- Website
- Curriculum /regulations books
- Class rooms
- Department Notice Boards
- Laboratories
- Student Induction Programs
- Meetings/ Interactions with employers
- Parent meet
- Faculty meetings
- Alumni meetings
- Professional Body meetings
- Library

While addressing the students, the HODs create awareness on POs, PSOs and COs. The faculty members, class teachers, mentors, course coordinators, program/ISO coordinators also inform the students and create awareness and emphasize the need to attain the outcomes.

Program specific outcomes (PSOs) are the specific skill requirements and accomplishments to be fulfilled by the students at micro level and by the end of the program. The programme co-ordinators prepare the PSOs, usually two to four in number, in consultation with course coordinators. The BOS, including Head of the Department and subject experts, of the individual departments will discuss the same and approve it after endorsement by the Principal.

Program Outcomes (POs) are broad statements that describe the professional accomplishments which the program aims at, and these are to be attained by the students by the time they complete the program. POs incorporate many areas of inter-related knowledge, skills and personality traits that are to be acquired by the students during their graduation.

Course outcomes (COs) are direct statements that describe the essential and enduring disciplinary knowledge, abilities that students should possess and the depth of learning that is expected upon completion of a course. They are clearly specified and communicated. The Course Outcomes are prepared by the course coordinator in consultation with concerned faculty members teaching the same course. The Module coordinator will verify it. Finally, they are discussed in the concerned department's BOS

meeting course-wise and approved.

The POs/PSOs of the programme are published through electronic media at individual Department site located on the college website http://www............ The COs of the courses are also published through electronic media at the Department site located on the college website: http://www.rvrjc.ac.in/. In all the interactions with the students, awareness on POs, PSOs and COs is consciously promoted.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Response: The assessment tools and processes used for measuring the attainment of each of the Program Outcomes and Program Specific Outcomes are mentioned below: Method of assessment of POs / PSOs The program outcomes and Program Specific outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods. Direct methods are provided through direct examinations or observations of student knowledge or skills against measurable course outcomes. The knowledge and skills described by the course outcomes are mapped to specific problems on University Examination, internal exams and home assignment. Finally, program outcomes are assessed and Program Assessment Committee concludes the PO attainment level. At the end of each semester, university conducts examinations based on the result published by university the course outcomes are measured. Assignments are given at the end of each module. The assignments are provided to students and they refer the text books and good reference books to find out the answers and understand the expected outcome of the given problem. Three internal tests are conducted per semester for the following purposes: To ensure that students have achieved desired level of competencies at module level. To evaluate, whether corresponding COs are achieved or not. According to the performance of the student in answering each question, mapping is carried out with the respective COs for assessing the attainment level of the specific CO of the subject. Alumni survey is an important assessment tool to find out

following important factors: Indirect once in a year Level of relevance of the curriculum with the expected skills of the industries. The level of attainment of goal for the specified program. Employer surveys are conducted for finding out whether the knowledge, skill and attitude learned from this institution is adequately satisfying their expectation or not. The objective the conducting the student exit survey is to identify several factors for future strategy framing once in a year. To understand the impact of training they understand the strength and weakness of various value added courses and pre-placement training imparted.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Teaching-learning methods adopted by the faculty members include Lecture Method, Interactive Method, Project-based Learning, Computer-assisted Learning, Experiential Learning etc. The Teaching - learning activities are made effective through illustration and special lectures. To acquire first-hand knowledge on the subjects and current practices students are engaged in filed study. Lessons are taught through Power point presentations to make learning interesting besides oral presenting methods.

Lecture method: This conventional method is commonly adopted by all the teachers, especially language teachers. This method facilitates the teacher to interpret, explain and revise the content of a text only for better understanding of the subject by the learners.

Interactive method: The faculty members make learning interactive with students by motivating student participation in group discussion, role-play, subject quiz, news analysis, educational games, discussion and questions and answers on current affairs.

ICT Enabled Teaching: ICT enabled teaching includes Wi-Fi enabled class rooms with LCD, Language Lab, Smart Class rooms, E-learning resources. Virtual class room links the guest lecture of eminent persons to develop their core knowledge in the subject. The institution adopts modern pedagogy in line with emerging trends to enhance teaching-learning process. The institution has the essential equipments to support the faculty members and students.

Regular practical sessions, Online grammar test, Use of LCD projectors for seminars and workshops, Productive use of educational videos, Accessibility of non-print material for students of Computer studies. The Department of English conducts career oriented courses in Call Centre Management and Medical Transcription for students. Office Automation and Accounting software, online trading - job oriented courses are offered by Department of Commerce. Communication skills training is provided to students during Language lab sessions. Software is effectively used to train students to acquire proficiency in listening, speaking, reading and writing

Case Study Analysis and Discussion: The case method is a participatory, discussionbased way of learning where students gain skills in critical thinking, communication, and group dynamics. SNMV Institute of Management uses case studies in diverse fields of Management Marketing, Finance, General Management and Economics.

Group Learning Method: Group Learning allows the slow learners to develop problem solving, interpersonal, presentational and communication skills to confirm quality in learning with Peer Group. Under group learning, heterogeneous group of students comprising Fast, Average and Slow learners are divided into groups of 5 to 10 members. Group Discussion, Management Games, Group Projects or Assignments are conducted by the MBA department under group learning method.

Experiential learning :The faculty members foster learning environment by engaging in rich experiential content of teaching through experience, Teaching through demonstration, visual aids, Periodical industrial visits, Organizing exhibitions, Presenting papers, Analyzing case studies and Participating and conducting quiz on theory topics.

Student Seminars :The Student seminars are organized where in the papers are presented by students on contemporary topics to enrich their learning experience

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

There is complete transparency in the internal assessment. The criterion adopted is as directed by the university.

At the beginning of the semester, faculty members inform the students about the various components in the assessment process during the semester.

The internal assessment test schedules are prepared as per the university and communicated to the students well in advance.

To ensure proper conduct of formative tests, two invigilators are assigned to each hall. Evaluation is done by the course handling faculty members within three days from the date of examination.

The corrected answer scripts at random are verified by HOD to ensure the standard evaluation process.

The corrected answer papers of the students are distributed to them for the verification by the students and any grievance is redressed immediately. The marks obtained by the students in internal assessment tests are displayed on the department notice board.

The marks obtained by the students in internal assessment tests are uploaded periodically on the university web portal along with their attendance.

Noting the values in observation and validating the theoretical aspects student must submit lab record regularly.

Day to day performance of the students is assessed for every experiment which includes regularity, performance, viva and the promptness in submitting the record.

For lab courses, the marks/grade scored by the student for each experiment is indicated in the observation/record. The independent learning, practical approach to the real-time applications is tested by viva voce for laboratory courses.

For the quality of the projects, the evaluation is done by Project Review Committee along with the project guides.

To ensure the transparency and curb the mall practices the university has introduced jumbling system and theory end

examinations are conducted at a center other than the college

The end examination for the laboratory and projects shall be conducted with internal and external examiner appointed from the other colleges as decided by the University.

Redressal of grievances at institute level:

Departmental Level: The continuous evaluation of students is carried out by faculty regarding theory lectures, labs, assignments, unit tests. The midterm marks are allotted based on defined strategies and displayed on notice board. Query if any is discussed with faculty and HOD.

College Level: The Institute appoints a Senior Supervisor for smooth conduction of examinations of JNTU. If students are facing any problems, they are solved by the institution Chief Examination Officer appointed by the university. The grievances during the conduction of online/theory examinations are considered and discussed in consultation with the Principal and if necessary forwarded to the university by examination section.

Redressal of grievances at University level: The queries related to results, corrections in mark sheets, other certificates issued by university are handled at JNTU examination section after forwarding such quires through the college examination section. Students are allowed to apply for revaluation, recounting and challenged evaluation by paying necessary processing fee to university if they are not satisfied with the university evaluation through college.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

In strict compliance with the objectives of Outcome Based Education (OBE), the Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes (COs) are framed by the

department offering the concerned program after rigorous consultation with all faculty and the stakeholders. After attainment of consensus, the same are widely propagated and publicized through various means such as display and/or communication specified hereunder.

- Website
- Curriculum /regulations books
- Class rooms
- Department Notice Boards
- Laboratories
- Student Induction Programs
- Meetings/ Interactions with employers
- Parent meet
- Faculty meetings
- Alumni meetings
- Professional Body meetings
- Library

While addressing the students, the HODs create awareness on POs, PSOs and COs. The faculty members, class teachers, mentors, course coordinators, program/ISO coordinators also inform the students and create awareness and emphasize the need to attain the outcomes.

Program specific outcomes (PSOs) are the specific skill requirements and accomplishments to be fulfilled by the students at micro level and by the end of the program. The programme co-ordinators prepare the PSOs, usually two to four in number, in consultation with course coordinators. The BOS, including Head of the Department and subject experts, of the individual departments will discuss the same and approve it after endorsement by the Principal.

Program Outcomes (POs) are broad statements that describe the professional accomplishments which the program aims at, and these are to be attained by the students by the time they complete the program. POs incorporate many areas of inter-related knowledge, skills and personality traits that are to be acquired by the students during their graduation.

Course outcomes (COs) are direct statements that describe the essential and enduring disciplinary knowledge, abilities that students should possess and the depth of learning that is expected upon completion of a course. They are clearly specified and communicated. The Course Outcomes are prepared by

the course coordinator in consultation with concerned faculty members teaching the same course. The Module coordinator will verify it. Finally, they are discussed in the concerned department's BOS meeting course-wise and approved.

The POs/PSOs of the programme are published through electronic media at individual Department site located on the college website http://www............ The COs of the courses are also published through electronic media at the Department site located on the college website: http://www.rvrjc.ac.in/. In all the interactions with the students, awareness on POs, PSOs and COs is consciously promoted.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Response: The assessment tools and processes used for measuring the attainment of each of the Program Outcomes and Program Specific Outcomes are mentioned below: Method of assessment of POs / PSOs The program outcomes and Program Specific outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods. Direct methods are provided through direct examinations or observations of student knowledge or skills against measurable course outcomes. The knowledge and skills described by the course outcomes are mapped to specific problems on University Examination, internal exams and home assignment. Finally, program outcomes are assessed and Program Assessment Committee concludes the PO attainment level. At the end of each semester, university conducts examinations based on the result published by university the course outcomes are measured. Assignments are given at the end of each module. The assignments are provided to students and they refer the text books and good reference books to find out the answers and understand the expected outcome of the given problem. Three internal tests are conducted per semester for the following purposes: To ensure that students have achieved desired level of competencies at

module level. To evaluate, whether corresponding COs are achieved or not. According to the performance of the student in answering each question, mapping is carried out with the respective COs for assessing the attainment level of the specific CO of the subject. Alumni survey is an important assessment tool to find out following important factors: Indirect once in a year Level of relevance of the curriculum with the expected skills of the industries. The level of attainment of goal for the specified program. Employer surveys are conducted for finding out whether the knowledge, skill and attitude learned from this institution is adequately satisfying their expectation or not. The objective the conducting the student exit survey is to identify several factors for future strategy framing once in a year. To understand the impact of training they understand the strength and weakness of various value added courses and pre-placement training imparted.
